Medication Consistency Initiative As part of the Federal Justice Reinvestment Initiative (JRI), the Governor's Office received federal grant funding from the Bureau of Justice Assistance through the Council of State Governments Justice Center. These funds are being administered by the Missouri Department of Corrections, and a portion of the funding is being made available through grant awards to local jurisdictions with a priority given to projects that address behavioral health concerns with the justice-involved population. At the October 14 th , 2020 CJCC meeting, the Council approved the recommendation to submit a proposal seeking \$50,000 to support the Medication Consistency Initiative. This Initiative seeks to: <ol style="list-style-type: none">1. Establish an agreed upon medication formulary2. Decrease overall costs of treatment through cooperative purchasing agreements; and,3. Implement a health information exchange system with the City's Corrections Division to facilitate data sharing so that caregivers are able to access their patients' critical care information. Debbie Allen will provide an update on the grant proposal including the project scope and budget.	Debbie Allen	15
